CMU IRB RELIANCE
Renewal Review Process

RI
Completes CMU Renewal Form with progress for site and provides to PPI

PPI
Submits renewal application and CMU Renewal Form to the Reviewing IRB.

Reviewing IRB
- Reviews renewal application.
- Once approved, sends approval email to Relying IRB(s) and uploads relevant documents to the Wiki.
- Releases IRB-approved documents to RI.

RI
May continue research activities if all institutional requirements are met.

KEY TERMS TO KNOW:
The Project Principal Investigator or ‘PPI’ is the primary individual responsible for submission of required applications and reports to the Reviewing IRB.
The Relying Investigator or ‘RI’ is the Principal Investigator or Lead Researcher (LR) at the Relying institution.
