

Non-Governmental Sponsors

Collection of the Form 700U

New Joint 700U/IRB Review Procedure:

One Project, Two Conflict of Interest (COI) Policies, One COI Review

Must meet all of the following criteria:

- Non-governmental sponsor (check [exempt sponsor list](#) for exceptions). *Requires Form 700U*
- Sponsor made the decision to fund the project at proposal stage. *Start COI review process immediately since you know the project will be funded.*
- New funding is linked to a new IRB application. *Requires COI review per IRB policy.*

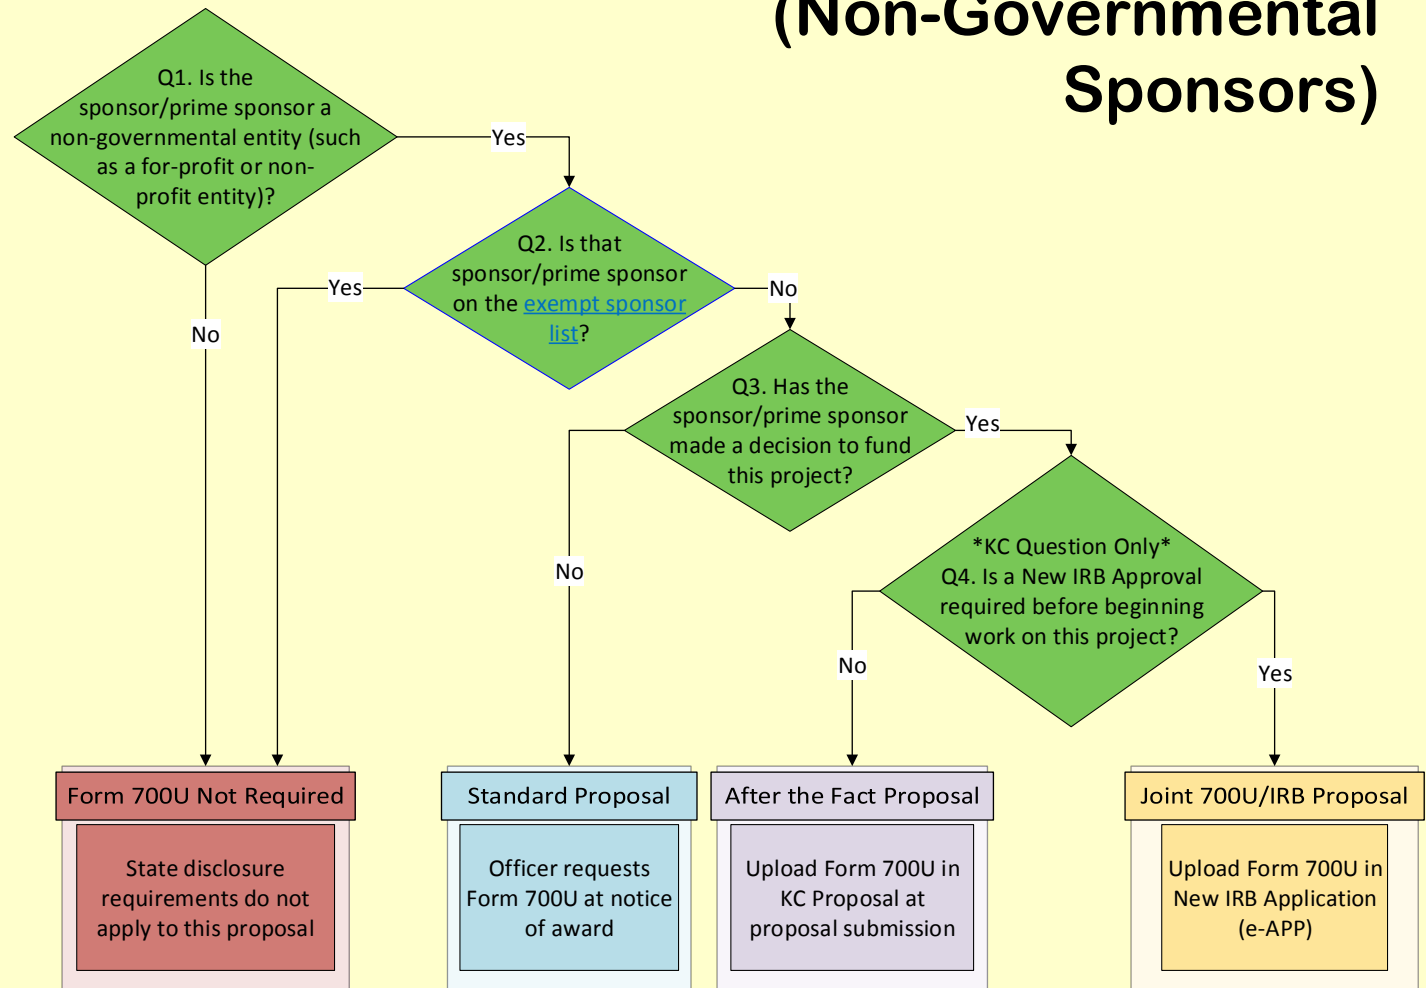

Research projects in this Joint 700U/IRB Proposal category are required to upload the Form 700U with their new IRB Application (e-APP).

Helpful Tips

- Create and save the KC proposal before the New IRB Application for a Joint 700U/IRB Proposal
- To maximize the parallel processes, minimize the time between the KC and IRB application submissions for a project if possible

Form 700U Collection (Non-Governmental Sponsors)

Each green question reflects an updated KC Proposal and/or the New IRB Application Question

Form 700U Reminders:

- Electronic copies of Form 700U must have handwritten signature
- Principal Investigators are responsible for submitting the original, wet-ink signed Form 700U to COI Team, Zot Code: 7600 for record-keeping

Transition Period

Implementation Date: September 25, 2017

Proposals created before the implementation date that have not been submitted to workflow before the implementation date will be required to update the KC Questions starting September 25th.

1. Go to the Questions tab in your KC Proposal and expand the panel by clicking “show.”
2. The default will retain your original answers so you only need to click the “update” button.

General Questions (Complete) hide

Questionnaire Update Status: Update Required

A newer version of the questionnaire has been published. An update is required.

Copy the answers from the old version of questionnaire to the new one. Only questions that have been changed in the new version will have to be answered. Do not copy answers from previous version of the questionnaire. Every question in the new version of the questionnaire will have to be answered. update
